5. At the outset of the hearing, Congressman Steiger was joined by Congressman McCloskey in moving to cancel the hearing on the basis of lack of jurisdiction, improper preparation by the staff, etc., but they were out voted on straight party lines.

6. Prior to the hearing, I reviewed with the Director several items which Mr. Ingram had requested, which were unclassified, and offered to provide them to Ingram prior to the hearing. Ingram said that he did not want the information now, but Mrs. Abzug wanted to specifically request these items during the hearing. Mrs. Abzug never did request the information and therefore it was not provided to the Subcommittee staff.
